Professional Summary:

Motivated and passionate MERN Stack Developer seeking an internship opportunity to apply my frontend and backend development skills in a professional environment. Eager to learn industry best practices, collaborate with experienced developers, and contribute to real-world projects.

EDUCATION

2023-2027

Bachelors of sciences in Computer Science

Lahore Garrison University

CGPA:3.20

Technical Skills :

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Responsive Design

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, Mongoose

Tools & Technologies: Git & GitHub, VS Code, Postman, Firebase (basic), npm

Concepts: Component-Based Architecture, API Integration, Routing, State Management, CRUD Operations

Projects :

Car Wash Management System (MERN):

- Developed a full-stack booking and management system.
- Implemented REST APIs for handling customer data and bookings.
- Connected React frontend with Node/Express backend and MongoDB database

Learning Management System :

- Built a platform where users can access subscribed lectures.
- Implemented authentication, protected routes, and dynamic content rendering.
- Designed responsive UI using React and Tailwind CSS.

Electric Bill System

- Created a web app to manage and calculate electricity bills.
- Developed backend APIs and integrated them with frontend UI.
- Implemented CRUD operations and database management.

Co-Working Space Website

- Designed and developed custom forms and landing pages.
- Built reusable components and optimized UI responsiveness.

Experience Summary :

Developed multiple full-stack web applications using MongoDB, Express.js, React, and Node.js. Built and integrated RESTful APIs, handled database operations, and created responsive user interfaces using React and Tailwind CSS. Gained practical experience in routing, state management, reusable components, and full application workflow from frontend to backend.

Soft Skills :

- Quick Learner
- Problem Solving
- Team Collaboration
- Communication Skills
- Time Management

Interests :

Web Development, UI/UX Design, Learning New Technologies, Open Source Contribution
